

Maxwell Third Overall at ASBK Round Three

After dominating qualifying and taking out the Superpole honours at round 3 of the Australian Superbike Championships, Demolition Plus GAS Honda's Wayne Maxwell piloted his CBR1000RR into third place in both races of the Queensland meeting.

Although the 27-year-old Victorian put in a blistering lap of 1:10.244 set late Saturday, just ahead of eventual round winner Cougar Bourbon Honda's Bryan Staring, Maxwell had to settle for third overall by weekend's end.

"We had the pace early on and full credit to my team who helped me get there," said Maxwell. "Unfortunately I did struggle a bit to gain any ground during racing and got a bit of arm pump in the first one. The weekend wasn't meant to be mine but congratulations to Bryan who put in a great performance."

"We've got a lot of work in front of us now before we come back here to Ipswich for the next round. Tonight however I'm off to Japan

for the Suzuka event."

Team Manager, Geoff Winzer said they will be working toward improving consistency prior to the next Australian meeting.

Our very own Richard Parry was over the moon, finishing 3rd overall for the weekend in the Cougar Bourbon Superstock 1000 C and D class. Riding his Honda CBR1000RR to a personal best time of 1:15:228, and his first podium finish in the series, he is looking forward to the next round.

Maxwell now sits on 110.5 points in second position to Staring's 115 points and Josh Waters on 104.5.

The next round of the ASBK will be held at Broadford on the 1 – 4 July 2010. Check out www.asbk.com.au for more information.
