

Rehabilitation Policy

Demolition Plus is committed to preventing injury and illness by providing a safe and healthy work environment for its employees, subcontractors and their employees.

The company is committed to ensuring that any employee who suffers an occupational injury or illness receives early medical diagnosis and treatment. Demolition Plus is committed to providing all necessary resources for the establishment of an integrated rehabilitation program for all employees, and to ensure that any sick or injured employee enters the rehabilitation program as soon as possible, in a manner consistent with medical judgement.

Demolition Plus is committed to ensuring that participation in a rehabilitation program will not of itself prejudice an injured or ill employee, and expects all employees to co operate with the rehabilitation efforts.

It is acknowledged that by creating a workplace that supports workplace based rehabilitation, this assists in ensuring that a safe return to work by an injured or ill employee as soon as possible is normal and expected practice.

When a return to work is not possible Demolition Plus is committed to ensuring that with the help of various agencies the injured or ill employee is assisted in returning to a meaningful and fulfilling role within the community.
